

California Drug Safety Notification

Notification Name

U. S. FDA Alerts Companies to Stop Illegal Sale of Treatments for Diabetes

Notification Date	Notification Issue	Notification Reason
07/23/13	<p>The U.S. Food and Drug Administration (FDA) is taking action to remove products from the market that claim to mitigate, treat, cure, or prevent diabetes and related complications.</p> <p>The agency recently issued letters to 15 companies warning that the sale of the illegally marketed products violates the law.</p>	<p><i>Consumers are advised not to use these or similar products because they may be unsafe and could cause consumers to delay seeking proper medical treatment for diabetes.</i></p>
